"I've always been open minded about sex. It's because of my background. I love having sex with girls and rarely have I done any sex on the camera with a guy. Girls are soft and sweet, but can get really wild and kinky. Some of the best sex I've ever had has been with a girl. We are really sexual. It's not reserved just for boys, and there's nothing wrong with that! If you think there is then put this magazine down and go to your momma."

katja's karnal krave

Hello, is that you on the line? You all probably know I'm a no-holes barred kind of girl. Not only am I an exhibitionist, but I'm a bit of a thrill-seeker, too. My biggest thrill, however, is to do photo shoots and videos for my fans. Okay, I do it for me, too, but to have you watch me having sex is such a turn on that I cannot fully describe it. The taste of a cock going in my mouth; feeling a cock in my pussy, or a large dick invading my tight little asshole.

I do admit that I have this thing for anal sex. It is my primary means of reaching orgasm, and I just love the way it feels. I big, thick cock filling me is like stuffing your mouth with chocolate candy. My anus is so sensitive that I can tell whose cock is inside me. They all have a certain feel, from the shape of the head to the length of it to the width, I love them all in my butt. I'm sure yours would fit nicely back there, too!

I've learned it pays to be neighborly. Yolanda was my neighbor and she's the type of neighbor all guys would want.

my naughty neighbor

Her name was Yolanda. She tended to talk a lot but was quite interesting. And she was my neighbor's ex-wife. Although they were not divorced, he moved out several months ago and left her and the house. We got to know each other a bit then, but there was way too much drama. I offered her and ear to vent her frustrations and she took advantage of it. Now things have settled down and I've only seen him a couple times since then.

Today is the six month anniversary of their split and she asked me to come over and celebrate with her. She said she'd make a home cooked meal for me. I was watering my lawn about two in the afternoon when I saw her pulling out of her driveway. She stopped and said she was going to the supermarket to get food to cook tonight; would I like to come along and pick out the steak I preferred? I turned off the hose and jumped in her car. We flirted along the way and even more in the market. To my surprise she pinched my butt in the fruit aisle. She paid for the groceries and we headed the five miles back to the neighborhood. She asked if I would drive and I said "Sure."

By the time we got to her house, Yolanda had taken out my dick and sucked it a good number of times as she played with her boobs. There was something about this woman's blowjob that made it different. It seemed like she really loved to do it. So I've driven home with her head in my lap and now I'm going to go in and she's going to make me dinner. Damn! I thought.

"Jason, I can't wait to make some dinner for us. Would you please open that bottle of wine?" I did and settled back in a kitchen chair. To my amazement, she then took off her top and skirt exposing a beautiful body, flawless and most sexy. It was made for fucking and I think I was going to do that. She knelt before me as I sat on the chair.

"Let me do it all for you tonight. You've been so kind and helpful and I've never really thanked you. I want you to relax and enjoy the night – and me. You don't have to do anything but play with me if you like. I'll do all the work tonight." I couldn't believe what I was hearing. She set the rules and I was going to obey.

She held my cock with both hands. "You have a very beautiful dick, Jason, and it is very big" She observed. Even though I know it's not that big, I took the compliment and settled back as she instructed. She bent over into my lap and started gently licking up and down my swollen member, licking my balls and sucking each one in turn, into her mouth. She was gentle and sensual. Her hands were all over my body. But I still had some clothes on and she made me get up and take them all off. Then she started up again with her mouth on my cock. This blowjob was amazing, better than all the rest. Yolanda was now into some vigorous squeezing, licking and waving my dick around, slapping it on her face and swallowing it whole. My self restraint helped me last for ten minutes as I was being pleasured. But I decided I was not going to come before sampling that pussy. But that wasn't in her plans. I stood up, but she continued sucking me.

I obediently obey and push my cock even deeper into her ass. She backs me down on the chair and spins herself on my cock so she's now facing me.

She forced one of my legs up onto the chair and started sucking my balls as she then worked her way to my butthole. Woah! I though to myself. That's virgin territory and I don't know if I was ready for that. No matter. She stuck a couple fingers into her wet pussy, brought them back to my ass and started rubbing around my little pucker. Somehow she knew exactly where the pleasure nerve endings were. She gripped my cock hard and slowly began inserting a finger into me. I tightened up but heard her command me to relax back there. I tried and she pushed it in farther as she hungrily sucked my cock and balls. I do have to admit that after the initial thrust, it actually felt good back there and I was a bit disappointed when she pulled it out and said: "That's enough for you. Now it's my turn and you're going to do the same to me. Okay?" "Yes ma'am!" is all I could mutter.

She knelt on the chair with her ass to me. Her firm breasts taking a beautiful shape as the hung down on her chest. Her smooth pussy was winking at me and I just had to dive in. A couple quick slurps of it and my tongue was addressing her insides with fervor. Her moans and squeals were enough to put my mouth into overdrive. I worked my way up to her perfect butthole and let my tongue work its magic. Suddenly I hear with a soft but commanding voice: "Stick your cock in my ass right now, Jason. Do it now."

Of course I had no choice but to comply. And so, butt-fuck it was and how!! Yolanda had the most unbelievable anus between her smooth inner buttocks. I jammed it in and she immediately started gyrating wildly as I enjoyed some really sweet butt-fucking. She was tightening her sphincter around my cock even better than she had with her mouth. As I fucked her from behind, I told myself that this was the best butt-fuck I had ever had. She had the best moves, her butt channeled my cock into her asshole in a way that made me feel the pleasure all over my body. Her butt and sphincter knew when to tighten and when to relax on my extra-hard cock. I wanted to rub her clit and stick my fingers into her pussy. I was about to cum and I knew that feeling her pussy would set me off, but to my surprise she pushed my hand away.

"I promised my ex that I would save that for him." she said softly, almost with embarrassment. "But I didn't say that about my ass." she recovered with a grin. "Cum on Jason, we're both so close so fuck me harder." she starts commanding again. I obediently obey and push my cock even deeper into her ass. She backs me down on the chair and spins herself on my cock so she's now facing me. She plants a big, deep, wet kiss on my lips and forces her tongue into my mouth. I respond by pulling her down harder onto my cock, grinding her hips onto it.

"Fuck, Jason, I'm cumming, I'm cumming!" she screams. I try to pump harder but she's tighten up so much I can only hold my position to appease her. She cums and melts into my arms with my cock still hard inside her butt. "Poor baby, you haven't cum yet" she purrs. She gets off me and using some very deft strokes on my cock and squeezing my balls at the exact right time, I shoot a load right into her chest and collapse back on the chair.

"Now, how about that steak?" she says as she licks the rest of my cooze off my dick.

the sweet smell of jasmin

I gotta get the house ready for my guests. Joel promised he'd bring a good looking guy to party with. I've stayed away from any kind of sex, even diddling myself, and so I'm so horny I could suck the wind out of this vacuum. I'm vacuuming naked, that tells you how horny I am in anticipation. I fucking can't wait for them to get here!

WOW! That was hot. I hope you got off too, but not as much as I did. Unless you had a big cock in each hand and then sucked them off, then you didn't get off like I did. And unless you had one cock in your pussy and one in your ass, then you didn't get off like I did. Unless you had a huge glazed donut after mind-blowiung sex, then you didn't get off like I did. Did you?

30+ MILF PRESENTS

emma & jacky's pussy party

My husband was going to this tenth high school reunion and he was a bit concerned about leaving me alone at home. And with good reason. My high school girlfriend was in town and I still had the hots for her. As a matter of fact, I lost all my lesbian virginity to her, so she's very special in my life. Can't wait to see her.

At the reunion my husband ran into her husband and they came back to our house early. And they caught us in the backyard together. Rather than get upset at us two girls fucking each other, we all decided to go inside and fuck our brains out. Art first we stared out in separate rooms, but they came into our bedroom and we had the hottest sex we had had in a long time. And then we got to do out first foursome. Now that was a great reunion. You can see all our antics on the free video, so cum check it out.

NASTY HOUSEWIVES PRESENTS

it's politics as usual?

Selena looked back at me, rolled down her window and extended her hand to say hello. I took it and smoothly said hello in a soft voice and she giggled.

I had quite the reputation as a lady's man before I got married. I gave my not-yet wife, Selena, her first orgasm when she was just twenty and so she thought I was the greatest lover – then we got married. But she doesn't know that I got to practice sex with a woman that I learned was her sister.

I had met Linda first at a party we were attending for a local congressman that was running for office. Linda is may wife's sister and a year older than Selena. Linda was sitting in the row behind me as the candidate was giving a speech. We all listened patiently and provided polite applause at the proper moments. After the rally ended, we ended up talking politics on the state and national level. Her opinions were much more conservative than mine, and so I tried not to get into a debate with her about them.

Throughout all that, I couldn't help but notice how fine she was after she took off her big hat. Now, when I say I'm a ladies man, check this out – I asked her if she needed a ride somewhere or back to her apartment. She said no thanks, her sister was coming to pick her up, but wouldn't be there until eight pm because she didn't know how long the rally would be. It had finished about seven thirty as the evening grew darker. I offered to wait with her at the event until her sister Selena came to pick her up. She said that was very nice of me and she appreciated it. I, on the other hand, had ulterior motives. I wanted her pussy and I was going to get it before Selena showed up.

The rally was held at one of local Santa Barbara missions under the sponsorship if the congregation. The crowd had mostly gone home and the priest was closing the doors. I suggested we wait back at my car. We took our time walking to the parking lot. I was playing her as best I could, hoping most of the cars would have left by the time we got there. The sun has disappeared and as we got to the car, and like a gentleman, I opened the door for her. She got in and I got in the other side. She commented on how sweet I was to do this for her, and, so smooth, I suggested she be sweet to me for being so sweet to her. She got it right away and without hesitation her hand jetted over to my pants and probed around for my cock.

Finding that I was already hard, she pulled the zipper down and yanked it out. Immediately, she began stroking the shaft up and down. After a few hard strokes, she leaned across the front seat and put her head in my lap and her mouth over my dick. Linda's lips were all over my dick, up and down the shaft, swirling her tongue around the head, and gulping the whole thing down as I reclined the driver's seat to make plenty of space for her. After about ten minutes of glorious cock-sucking she lifted her head and said "Get out." I was shocked at that but her look led me to believe that something nasty was about to happen.

The parking lot was pretty much empty by now and I happened to be parked at the far end in an area that was not illuminated by the lot's lights. I got out and looked around –the coast was clear – and she came out and leaned over the trunk of my Toyota. She lifted her skirt and pulled her panties down over her black stockings. Her ass was barely lit by the parking lot lights. She pulled my dick out and guided it into her pussy. I was amazed at how wet she was, but that thought quickly faded. She was leaning with her legs spread and her butt arched up and looked at me over her shoulder. She pushed her butt against me

"Hell no! In my mouth!" she said as she quickly turned around, fell to her knees, opened her mouth, and took a full blast right on her tonsils.

as I pumped my cock into her. The car was shaking in rhythm to my thrusts and she was moaning out loud, and that made me fuck her even harder. She reached between her legs and grabbed my balls as she sensed I was about to cum. She pulled on them and my cock came out and twisted them as I stroked my cock to climax. Man she was good. Like a gentleman, I asked if I could jizz on her butt and she said, "Hell no! In my mouth!" she said as she quickly turned around, fell to her knees, opened her mouth, and took a full blast right on her tonsils. After I stopped jerking, she engulfed my cock with warm, wet lips and sucked the rest out of me.

Linda sat up on the trunk of the car and hiked her skirt up. "Come on. Do it quickly. I don't want..." she demanded. Before she could finish her sentence, my mouth had enveloped her pussy lips and I started sucking, taking in a mouthful of her wet juices as my hands slid under her butt to lift her hips so I could tongue her better. I worked it. Fingers, tongue, light licks, soft sucks. I used my entire repertoire on her pussy in the few minutes we had. I backed my face off and inserted one, then two, then three fingers, and before I could get the fourth one in, she started moaning louder as she came. I finished her off with a quick lick to show my appreciation.

We had barely finished as some headlights turned into the parking lot. I leaned against the car acting cool, as the car drove up and pulled up next to us. Linda went around to the passenger door, opened it, and leaned over to introduce me to her sister. Selena looked back at me, rolled down her window and extended her hand to say hello. I took it and smoothly said hello in a soft voice and she giggled. Through the window I heard Linda say how sweet I was to wait with her and Selena looked at me and said thank you for watching her. I invited them both to dinner the next night to help make plans for our candidate, but Linda said she'd be out of town that night. Selena said she would like come, lowering her eyes to my crotch as she rolled the window back up. As I went back to my car and sat in the seat, I noticed my zipper was still down. And Selena still accepted my invite? Now that was interesting, I thought.

Well, that was ten years ago that Selena accepted my invitation to dinner. Selena and I hooked up several times after that first night, but I never did again with Linda. Not that it matters, because it is Selena that I love. I still don't know if Linda has ever told her about our little tryst in the church's parking lot, but it hasn't seemed to matter. Should it?

maya's hot cream pie

Sex is always on my mind. I'm like a teenager boy sometimes, always horny and ready to do it. I'll warm myself up by playing with my clit and boobies. Then when I'm all wet, I'll take that cock of yours and guide it into my dripping wet pussy and let you fuck me until it dries up. And that could take a very, very long time. Wanna try it?

I love one-night stands. But I'm careful with who it is, usually it's someone I know or want to get to know. And when I bring them home, they know they're gonna get a good fucking. I'll start with cooking a homemade dinner,, some good wine and a great blowjob. Then I'll take them over to the sofa and strip them and myself naked and sit my tight pussy down on the hard cock. Then we'll fuck until I kick them out.

My ex-husband used to have your magazine in our night stand, but I didn't discover it until at least a year into our marriage. When I saw it, I looked through it and decided that I could do that. We took some photos together and submitted them. When you asked us to do a shoot, my ex got cold feet and the matter died. But I was still interested and when we split, I contacted you again shortly thereafter did a shoot. I had a great time and this one is my third.

Damn! I never thought I'd be licking a guy's ass. Not even my husband's. But I did and it wasn't bad at all. Tony, the guy I'm with here, told me before we started shooting that he likes it a lot and he had carefully showered if I wanted to do it. I didn't at first, but as the scene started and the hormones take over, it didn't seem like a bad thing. Nor was it. I especially liked yanking his cock downwards from behind. Like milking a cow. Now that was something I had never, tever done before!
